- Customers with quality cement at competitive pricing
- Shareholders with good returns and sustainable growth
- Employees with care and career development opportunities

Corporate Strategy

Stay ahead of the competition by adopting the latest technology with efficient and progressive teamwork in an environment of good governance and professionalism.

COMPANY PROFILE

Company Profile

Kohat Cement Company Limited has been manufacturing high quality cement since 1983 and is one of the largest cement manufacturers in Pakistan. The company produces both Grey and White Cements at their plants located in Kohat about 60 kilometers from Peshawar, Pakistan. Kohat Cement is well positioned in Khyber Pakhtunkhwa on the Indus Highway to serve its customers efficiently across Pakistan. Close proximity to Afghan borders enables it to serve its customers in Afghanistan and Central Asia.

Milestones

1983

Installation of a new Grey Cement line with an annual capacity of 315,000 tons

1994

BMR to enhance annual cement capacity to 567,000 tons

2005
